My Research on Raffles

Zeffy is a great free app – good tips, etc. Easy to use. Some NSK Councils use Zeffy already, and NSK are currently running the annual Statewide seminarian education fund raffle until May 2.

Plan

- Nevada KofC runs its **1st Ignite Life Raffle**
 - **Starting with LGH** for \$25K for a new security system.
 - **By end of June to Nov. – have a 2nd raffle for goals 2 thru 4 combined.**

Advantage: This will replenish State LIFE projects fund (ASAP), equip us for Life projects including Q6, and help us get more familiar with using Zeffy raffles for Ignite Life goals.
