

Worthy DD's and GK's

It is important that we work together to encourage a **NO** vote on **abortion referendum** Question 6 on the November ballot. Question 6 conflicts with Catholic teaching and would make abortion part of the Nevada Constitution. Archbishop Thomas, Bishop Mueggenborg, and Bishop Gordon make up the Nevada Catholic Conference (NCC), and they are asking all Catholics to **VOTE NO** on Question 6.

I wrote you on August 28 offering a way to *order a pull up banner of enlarged Nevada Catholic Conference (NCC) flyers* urging parishioners to **Vote No on Question 6** in our State November election. I did not attach the Bishop Gordon's letter [written on behalf of the Nevada Catholic Conference](#) and their attachments. **They are below, and attached.**

Please save this communication and share it with your parish in case they have not seen this.
