

## Sample parish bulletin announcement

The Nevada Knights are pleased to introduce our First Annual Statewide Raffle in support of Ignite Life Projects

This month's proceeds will help fund the expansion of Living Grace Homes (LGH) in Henderson. From July through November, the raffle will also support ultrasounds and other essential services for various life-affirming programs and needs across Nevada.

Be sure to look for the poster in the church foyer for details about prizes, ticket purchases, and donation options. For more information, please contact your Parish Knights Council and the State Knights website:
