

Knights of Columbus® Nevada State Council

Brother Knights,

Please be aware of an active phishing scam targeting Nevada Knights of Columbus members. Scammers are impersonating the State Deputy, Grand Knights, and other officers to request gift cards.

DO NOT RESPOND to these requests, and **DO NOT** purchase or send gift cards, card numbers, or PINs.

If you receive a suspicious message, please verify it by contacting the supposed sender directly using a known phone number or email address.

Please forward this alert to your councils and fellow Brother Knights.

Fraternally,

dmc
