Dear Brothers and Sisters in Christ,

The Nevada Catholic Conference, representing the Archdiocese of Las Vegas and the Diocese of Reno in the arena of public policy, encourages every parish make a concerted effort to educate parishioners about Question 6, the proposed constitutional amendment ballot initiative regarding abortion, between now and the November election.

Attached you will find the approved educational materials prepared by the Nevada Catholic Conference in both English and Spanish, along with social media graphics for parish use. Additional resources, including a short educational video, will be shared as they become available.

Please feel free to use these materials to help parishioners understand the many negative implications of Question 6 passing. These resources may be shared in parish bulletins, websites, social media, and other parish communications as you deem appropriate.

Also attached is information regarding an upcoming educational session on Question 6 sponsored by Nevada Right to Life. Though **not** endorsed by the Nevada Catholic Conference, it may provide additional information for pastors, parish staff, and respect life ministry leaders who wish to learn more about the ballot initiative. If you or members of your parish choose to attend, you are welcome to do so for informational purposes.

Please note however that only the materials provided by the Nevada Catholic Conference may be published or distributed **through parish communications**, including bulletins, websites, email, newsletters, and social media. No other materials or resources regarding Question 6 may be distributed by our parishes.

Thank you for your faithful leadership and for your commitment to educating the people entrusted to your care on this urgent respect life issue. Please keep this important intention in your prayers as we continue to uphold the dignity of every human life, from conception to natural death.

Sincerely in Christ,

Most Reverend Gregory W. Gordon
